We Are a Device-Free Camp! Why?

CONNECTION

Camp Felix creates a welcoming environment where youth build friendships and develop strong, positive connections through shared experiences.

EXPLORATION

At Camp Felix, youth are given the opportunity to explore new activities that support their physical, mental, and emotional growth in constructive and meaningful ways.

PRESENCE

When youth are given the chance to unplug, they can step away from the stress of the outside world and the noise of social media, allowing them to be fully present in the moment, surrounded by friends in a joyful and supportive environment.

If there is anything to report related to your child, the Camp Director or another staff member will contact the guardian directly. Otherwise, your child is safe, healthy, and happy!

What We Expect From Our Campers

GENERAL DAILY EXPECTATIONS:

First and foremost, **HAVE FUN!** Below are some essential rules to ensure everyone remains safe and has the best time possible.

- It is important to follow counselors' and staff's directions at all times.
- You must be accompanied by a counselor at all times. The group will stay together for activities, mealtimes, and bathroom breaks.

- Campers are expected to wake up early for the morning circle before breakfast and to arrive on time for each activity.
- You are encouraged to participate in all activities. Everyone will be trying new things for the first time, and we will cheer each other on!

- Club Getaway is your home for five days. Please take care of the property and keep the campgrounds clean. Garbage cans and recycling bins are located throughout the camp.

What We Expect from Our Campers

CABIN EXPECTATIONS:

- You should only go in and out of your own cabin. If you would like to enter another cabin for any reason, ask a counselor for permission first and you must be supervised by staff at all times.

- Be respectful of your cabin mates' bed areas. The space is small, so keep your things organized and don't touch others' belongings without permission.

MEAL TIMES:

- Youth will be escorted by their counselors to the dining hall/tent.
- Your cabin will have an assigned seating area where you will sit for every meal.

- If a camper needs to use the restroom during lunch, they must notify a counselor first.

- Campers are expected to help clean up by clearing their plates and tables after every meal.

EVENING ACTIVITIES:

- Your cabin will have its own activity schedule during the day. In the evening, some activities will be combined with other camp groups.
- Although there will be other counselors and campers at evening activities, all campers will be supervised by their own counselors.
- The RESPECT values also apply when interacting with other campers and counselors who are not part of your own group.
