### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Felix Organization - Adoptees For Children, Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2017

1. Nature of activities and significant accounting policies:

Nature of activities

Felix Organization - Adoptees For Children, Inc. (the "Organization") is a not-for-profit organization incorporated in the State of New York on January 25, 2006. The Organization provides programs that attempt to enrich the lives of children growing up in the foster care system by providing opportunities and new experiences including camp and other year-round activities. The Organization is supported primarily through sponsorships, grants and donor contributions. The Organization is a Section 501(c)(3) charitable organization.

Cash and cash equivalents

The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less when purchased to be cash equivalents.

Promises to give

Contributions are considered to be available for unrestricted use unless specifically restricted by the donors. Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization does not have any permanently restricted net assets.

Contributed services

The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization. The Organization receives more than 2,000 volunteer hours per year; however, these services do not meet the criteria for recognition as contributed services, and, are not reflected in the financial statements.

Contributions

Contributions are recognized as revenue upon receipt and are considered to be unrestricted unless they are received with donor restrictions as to their purpose or time period. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are recorded as unrestricted contributions.

Functional allocation of expenses

The cost of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2017

1. Nature of activities and significant accounting policies (continued):

Concentration of risk

The corporation maintains its cash balances with various financial institutions. At times, the corporation's cash balances with these institutions exceeded the insured amount under the Federal Deposit Insurance Corporation ("FDIC") of \$250,000. Management monitors the financial condition of the financial institutions and does not anticipate any losses from its counter parties.

Income taxes

The Organization is a not-for-profit organization that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and have been determined not to be private foundations under Section 509(a)(1) of the Code. Accordingly, no provision for income taxes has been reflected in the Organization's financial statements.

Estimates

The preparation of financial statements to conform with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Evaluation of Subsequent Events:

The Organization has evaluated subsequent events through March 23, 2018, the date on which the financial statements were available to be issued.

3. Commitments:

For 2018 The Organization is committed to spending \$140,000 for Camp Felix in partnership with The New York Foundling, \$25,000 for "Dance This Way" and \$25,000 for Camp Felix West.

4. Claims or Litigation:

From time to time, claims or matters of litigation may arise in the ordinary conduct of the Organization's business. In the opinion of management, claims or litigation outstanding against the Corporation as of December 31, 2017 are either without merit or the ultimate losses, if any, would not have a material adverse effect on the financial position or results of operations of the Organization.
